design philosophies can be useful, but inspiration, creative strategies and efficient work habits are what really get the job done. Designer, instructor and author Curt Cloninger provides a multitude of strategies, tools and practices that readers can use to inject a big dose of creativity into just about any design project. With illustrations drawn from 20th-century French philosophy, medieval manuscripts, punk-rock posters and more, Curt's innovative text introduces readers to his personal toolkit for hot-wiring the creative process. You'll learn strategies to recognize and believe in your creative powers, develop effective methods for evaluating your own work, draw inspiration from the past, use standard software in experimental ways and find nonstandard applications to create new effects. Maintain a personal design playground, mine your subconscious with the oblique strategies cards developed by Brian Eno and Peter Schmidt, unstick your imagination by blitz designing mock-ups. Curt Cloninger is an artist, designer, author and instructor in multimedia arts/sciences at the University of North Carolina at Asheville. His book *Fresh Styles for Designers* (Eye Candy from the Underground) (New Riders, 2002) is an industry standard on creative design solutions. Curt's art and design work has been featured in *iD* magazine, *How* magazine, *The New York Times*, *Desktop* magazine and at digital arts festivals from Korea to Brazil. He regularly speaks at international events such as *How Design South*, *Southwest Design World* and *File*. His pirate signal broadcasts from lab404.com to facilitate lively dialog.
